Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Santa Fe, NM Public Housing Units Electrical System Upgrades in fiscal year 2024. The entity to receive funding for this project is Santa Fe County Housing Authority, located at 52 Camino de Jacobo Santa Fe, New Mexico 87207. The funding would be used to replace and upgrade exterior and interior electrical service panels and breaker boxes for 183 low income rental units and three Boys and Girls Clubs facilities owned by Santa Fe County Housing Authority. The project is an appropriate use of taxpayer funds because it will help provide decent and safe housing to current and future low-income tenants. At the same time, it will support three Boys and Girls Clubs to provide a safe gathering place for youth.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4) as well as 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Teresa Leger Fernández
Member of Congress
